

KSP Multi-Prep Colander & Slicer/Grater

INSTRUCTION MANUAL

STK #2023

CAUTION

This kitchen accessory contains parts that have very sharp cutting blades. Please use extreme care when handling these components. Please read and understand the instructions before use.

HOW TO USE

1. Insert drain basket into prep bowl.

2. Snap the cover into place.

3. Insert the blade of your choice onto the cover and snap into place.

4. Affix the hand guard onto the item to be grated or sliced.

5. Use a back and forth motion to slice or grate your item.

HOW TO USE THE WAFFLE BLADE

1. Insert waffle blade in the cover and snap into place

2. Cut your potato in half and insert into the hand guard.

3. Make the first pass over the blade – note the direction of the hand guard.

4. Rotate the hand guard 90 degrees, and pass over the blade.

5. After each pass over the blade, rotate the hand guard 90 degrees.
