

The  
**Kitchen  
Stuff Plus**  
COLLECTION

A wholesale collection **built by retailers**, for retailers.

# Who We Are

From one of Canada's most successful housewares retailers comes a wholesale program built for retail—because it's been shaped by it. Kitchen Stuff Plus brings over 30 years of real-world merchandising expertise, best-selling products, and proven in-store strategies to wholesale buyers.

With a curated assortment of kitchen and home essentials—plus turnkey display solutions and fixtures—our program offers more than just product. It's a retail-tested, plug-and-play solution designed to drive sales.

Backed by decades of customer insight and retail success, the Kitchen Stuff Plus wholesale program delivers what today's shoppers want—and what retailers need to succeed.

# What Makes Us Different

At KSP, we're trend-obsessed—we're constantly scanning the market and hitting tradeshow to spot the biggest trends of the year. With in-house sourcing and product development, our team of two creative designers, one packaging designer, and a dedicated group of buyers and assistant buyers keep us ahead of the curve. Plus, our expert negotiating skills don't just secure the best deals for us—they ensure you get the most attractive pricing, too.
